Introduction: BEWARE!

### False (church) leaders

they conceal their true identity  
*The Art of War, Sun Tzu*

but their “fruit” exposes them

### False (Christian) followers

not just about words spoken

is about doing the will of the Father

**Conclusion:** On Judgment Day – Jesus calls the shots!

Questions:

1. Why might we be attracted to false teachers? How does this teaching follow on from the challenge to stay on the narrow way?
2. What will it look like to “beware” of false teachers?
3. Why does Jesus encourage us to do the will of his Father in heaven? What does this look like and what should we expect as we do it?
