**Introduction: Why should God let you into heaven?**

**Aim: Certainty that faith alone makes us right with God**

**- God rejects all who trust in themselves**

'Compared to others I'm good...'

'...so I can depend on myself'

**- God accepts all who trust in mercy**

'Compared to God I'm sinful...'

'...so I must depend on mercy'

**Questions:** When are you tempted to trust in yourself / your good deeds?

What will it look like to keep depending on mercy?

How should this passage change the way we think about our friends, colleagues?
