

WEEKEND AWAY

12-14 NOVEMBER 2021

Moor Hall
Cookham
SL6 9QH

Main sessions and discussion

Through the turmoil of wars and political upheaval, natural disasters and oppression, the Christian church stands firm. From the Bible's perspective the history of the world is really all about the church.

So, what is the church?

Why does church matter?

What does the Bible say church should be like?

We'll be thinking about these and other questions as we consider what the Bible has to say about the church.

The venue

Moor Hall enjoys an almost perfect location for exploring some of the most beautiful towns, villages and countryside in England. The village of Cookham itself has an array of independent shops, restaurants and traditional English pubs.
