What about the nice guy in the office?

i. Hypocrisy is everywhere (v17-22)

ii. Hypocrisy dishonours God (v23-24)

iii. Hypocrisy will lead to condemnation (v25-29)

Questions:

How does what Paul says about the scale of our depravity challenge how we think about our colleagues?

Do we see hypocrisy in those who work around us? Does Paul's verdict appear to hold true?

How does this embolden us to speak to the most virtuous (i.e. HR, those of other religions) about the gospel?

What is the big lesson you have learnt from these 12 verses? How might you explain it back in the office?
