God is at work for his people despite the chaos of life

1) The life-threatening problem is solved by God alone

2) The brothers' lives are changed along the way

- a test comes
- they are convicted of sin
- changed lives....but are they genuine? Test again...
- In Judah we see whole-hearted change

Application:

- Confidence in God
- Can't hide from a God like this

Questions:

What has struck you from the narrative today about God's control?

Why do you think God allows these situations to take place?

What difference will it make to you?
