Introduction: Our true home

1. God shows his people that he has the power to deliver on his promises:

- they are given 'the best of the land'

- they are given the best jobs

- they become a blessing to the world

2. God's people must live in light of this

- Live in light of this: make heaven home

- or just live: make this world home

Questions

- How does the narrative today give us confidence in God's ability to deliver on his promises?
- As God's people today – we are passing through this world – why do we find that hard to believe sometimes?
- To what alternative dreams do we give our heart?
