Introduction

1. All kingdoms of this world face ruin (v20-22)

- Imminent – about to happen

2. God's king will be established (v23)

Application:

How will the next event in God's diary shape the way you use your time?

a) Have you taken refuge?

b) Build the Lord's house - beware of competing building projects

c) Build the Lord's house – don't let apparent insignificance fool you

Questions:

- What exactly does it mean to be building the Lord's house today? Why is that so important in light of Haggai 2:20-23?
- How has this final section helped to provide focus to my life and activity?
