What is the Christian gospel?

Good news

... about Jesus

... God's King

Application: get your thinking straight!

Questions for discussion:

What are we learning here about the subject of the gospel?

To what extent might this be a surprise for our colleagues?

How can we make sure our colleagues know that we believe *this*? (i.e. it's not just tradition/rules)

How significant is it that Jesus (v15) appeals to our mind?
